OFFER

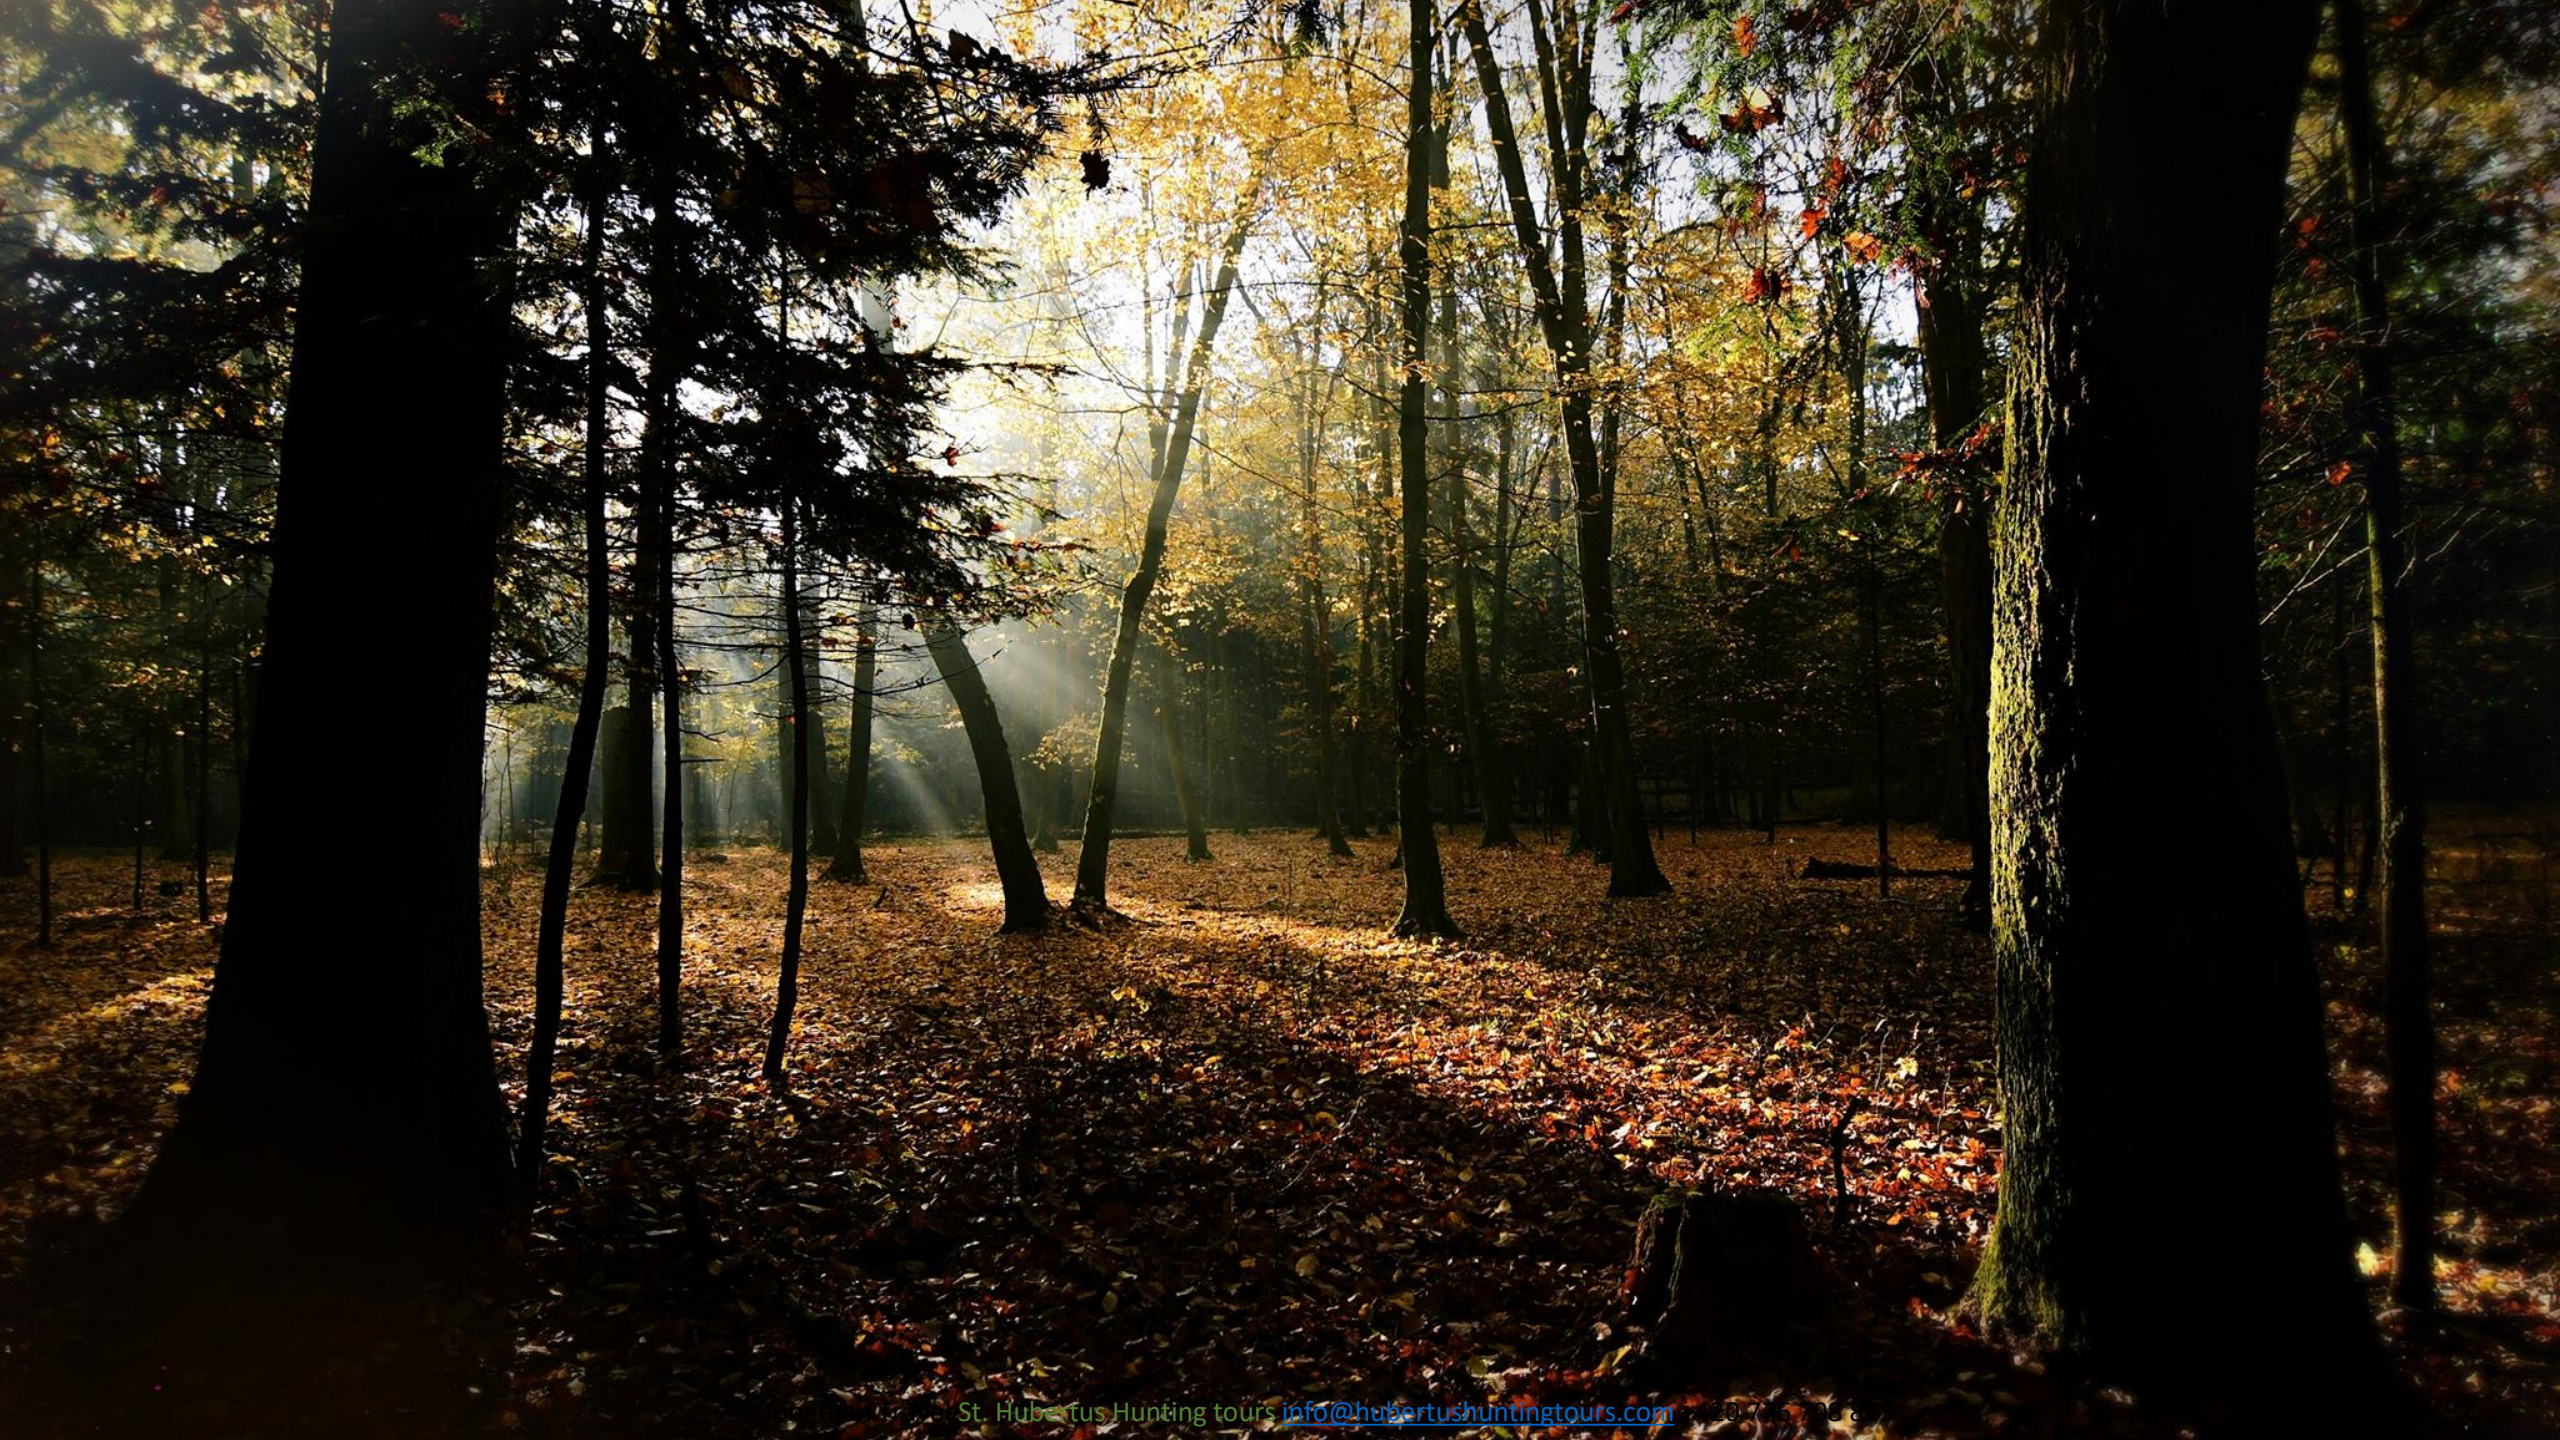

HUNTING AREA – FREE RANGE

Hunting takes place in a beautiful hunting district of approximately 12,000 hectares, more than half of which is covered by forest. The rest consists of meadows, cultivated fields and watercourses. The area is about an hour and a half drive from Warsaw. It is a very beautiful area and rich in game. In the annual hunting plan there are about 200 wild boars, 150 roe deer including 70 bucks and 80 red stag including 40 stags. There are many stags with trophies of 5-6 kg with a good number of trophies weighing 7-9 kg each year. In recent years a stag with a trophy over 10 kg has always been bagged, a 10.2 kg trophy in 2023 and a 10.5 kg trophy in 2022. As there is a large forest complex, this area is perfect for organising hunts as a walk and chase.
